HP Pavilion 23-b309ea All-in-One Desktop PC (ENERGY STAR)

Introducing the HP Pavilion 23 All-in-One, home base for your digital home. With a thin easel design and brilliant display, it's super flexible and easy to use, but it still gives you the computing essentials you need. Processing power for multitasking. Stunning graphics for fun and games. The HP Pavilion 23 All-in-One. Your everyday creation station.

HP recommends Windows.

Fits your desktop. Fits your life.

Engineered with a desktop-friendly easel design, it's stunningly slim. Adjust the angle to the view that fits you best.

Performance for everyday productivity.

The HP Pavilion 23 All-in-One gives you the speed you need to get the important things done. With your choice of Intel® processors, you'll never worry about having enough power.

HP Connected Music.

Embedded Software that allows consumers to access the Universal Music Catalogue for 1 year for free and a chance to win concert tickets, meets and greets with artists and exclusive concerts[2].

Enjoy the view.

Sometimes in life, only face-to-face conversation will do. Thanks to the HP Pavilion TrueVision HD Webcam[1], you always come off looking your best. Even in low light.

[1] High-definition (HD) content required to view HD images.; [2] Offer available on HP consumer PCs with Windows 8. Streaming option is free for 365 days from first day of the registration. Registration deadline: December 31st 2013.
